

# PARKING INFORMATION

We can't wait to welcome you into the festival. As the road up to the festival grounds does not have a walking path, and this is a beer event, we have taken the safety of transporting our guests to the festival grounds a priority. Everyone will get on entry shuttles to and from the festival grounds.

## WAYS TO GET TO THE FESTIVAL GROUNDS

- #1 Walk to or get dropped off at the Elm St entrance (beside the orange circle), hop on our entry shuttle which runs every 5 minutes and arrive at the festival grounds.
- #2 Take a shuttle from one of our FREE pick up stops in Chemainus as indicated on the map (purple circles), and this will bring you right up into the festival grounds.
- #3 Take a shuttle from Duncan, Crofton, Maple Bay, Ladysmith Saltair, or Nanaimo and this will bring you right up into the festival grounds.

**WHEN YOU ARE READY TO GO:** The entry shuttle will bring you back down to the Elm Street entrance or any shuttle stop in Chemainus when you are ready anytime through the day. Or you can purchase a seat for any destination shuttle and return to your original point of origin. All destination shuttles leave at 5:10pm from the festival grounds.

**OVERINDULGED:** You can select your home town shuttle and purchase a ticket to that destination point, or we can help to call you a local taxi to take you to your front door. Or walk Chemainus or any destination town and enjoy your day on foot.

Roads and areas in purple are designated parking areas, plus there is abundant side street parking. FREE overnight parking in Chemainus and Duncan locations. Plan ahead and be safe.

## DO NOT DRINK AND DRIVE. NO EXCEPTIONS.

Details may change/adjust without notice. See website for most up-to-date information on the festival and parking, shuttles and all other related information.
