

PARKING INFORMATION

We can't wait to welcome you into the festival. As this is a beer and food event, we have taken the safety of transporting our guests to the festival grounds a priority. We encourage overnight parking in our parking lot and or shuttles.

Roads and areas in purple are designated parking areas, plus there is abundant side street parking. FREE day + overnight parking in Chemainus at the lot located at the end of SEVERNE ST and in Duncan at the EXTRA STORAGE NOW on GREEN ROAD. Plan ahead and be safe.

WAYS TO GET TO THE FESTIVAL GROUNDS

- #1 Walk to the Elm St entrance (beside the orange circle), hop on our entry shuttle which runs every 10-15 minutes and arrive at the festival grounds or walk on up.
- #2 Take a shuttle from one of our FREE pick up stops in Chemainus as indicated on the map (purple circles), and this will bring you right up into the festival grounds.
- #3 Take a shuttle from Duncan, Crofton, Maple Bay, Ladysmith Saltair, or Nanaimo and this will bring you right up into the festival grounds - pre-booked.

WHEN YOU ARE READY TO GO: The FREE chemainus shuttle will bring you back down to the Elm Street entrance or any shuttle stop in Chemainus through the day. Or you can purchase a seat for any destination shuttle and return to your original point of origin. All destination shuttles leave at 6:10pm from the festival grounds.

OVERINDULGED: You can select your home town shuttle and purchase a ticket to that destination point if there is room, or we can help to call you a taxi to take you to your front door. Or walk Chemainus or any destination town and enjoy your day on foot until you can drive again.

DO NOT DRINK AND DRIVE. NO EXCEPTIONS.

Details may change/adjust without notice. See website for most up-to-date information on the festival and parking, shuttles and all other related information.
